

Mauro M. Mastrapasqua

Chief Operating Officer and Co-Portfolio Manager

Mauro has been an influential and contributing member of the Mastrapasqua Asset Management team since the firm began in 1993. He has assumed many roles at the firm serving for a time as research analyst where he studied a broad range of companies, conducted on-site CEO interviews, and attended company conferences. Historically, he has managed the development and marketing of the firm's web site which continually publishes market commentary and sector research.

As Co-Portfolio Manager, Mauro works directly with Frank and the research and development of Mastrapasqua Asset Management's portfolios. Additionally, Mauro serves as the Chief Operating Officer where he oversees the marketing, operations, and compliance efforts of the firm.

Prior to Mastrapasqua Asset Management, Mauro's business experience included time as a Director at Orr Associates, Inc., a Washington DC consulting firm that specialized in fundraising for non-profit organizations. At Orr Associates, in addition to managing human resources and handling financial issues for the company, he was the account manager for AmeriCares – the international disaster relief and humanitarian aid organization.
