

## **Michael P. Giggie**

### **Senior Research Analyst**

Michael Giggie joined Mastrapasqua Asset Management in April 2010 bringing with him 10 years of equity management experience.

Prior to joining Mastrapasqua, Michael worked as a senior equity analyst at Northern Trust, supporting multiple growth equity strategies within Northern Trust Global Investments. He used fundamental analysis balanced with measured quantitative risk management tools to assist in managing a \$1 billion portfolio.

Prior to that, Michael worked as a senior research analyst at Credit Suisse Securities where he conducted fundamental analysis through independent research and quantitative screening. Michael began his investment management career at Nicholas Applegate Capital Management working on small cap growth portfolios.

As a generalist, Michael has held broad responsibilities across multiple sectors during the majority of his career, but his primary focus has been within the Consumer Discretionary, Consumer Staples, Industrials and IT sectors.

Before beginning his investment management career, Michael served for six years as an intelligence officer in the United States Navy.

Michael received a bachelor's degree in General Engineering and History from the U.S. Naval Academy and an M.B.A. from Indiana University's Kelley School of Business with a concentration in Finance and Investment Management.
